I decree peace in Nigeria after Ramadan in the Mighty Name of Jesus Christ, Amen!

1. God has revealed to me that except we intensify prayer the security situation in the country will degenerate after Ramadan,
2. I foresee trained suicide bombers arriving Nigeria from countries like Somalia and this should be prevented as it may make Nigerians to start doubting if we really do have a President at all because lots of Government big Buildings and offices may be set ablaze if not adequately protected. These include but not limited to Public utilities like PHCN, Water Board, Telephone Networks etc,
3. Attackers will dress in Army and Police Uniforms and some will masquerade as mad men to detonate bombs in government offices,
4. After Ramadan, I foresee declaration of FATWA on most of our leaders for offending the Boko Haram sect'
5. Due to religious hatred in the country, I foresee biggest tribal/religious genocide after the order of 1966 from North to South of Nigeria,
6. After Ramadan expect protest over the continuous occupation of Borno by Nigerian Army as it is perceived in some quarters as being a global gang up by Christian ruled governments to reduce Muslim population,
7. If Nigerian Army continue to occupy Borno like Jos, a religious coloration will arise due to little excesses of the bad eggs amongst them resulting in

revenge on government because of anger hence horror of unimaginable proportion awaits the country

8. I foresee closure of tertiary institutions after Ramadan due to student protests as well as civil unrests,
9. Pray fervently against mayhem to be unleashed after Ramadan by little tribal and religious groups springing up as affiliate or rivals of Boko Haram in states like Adamawa, Benue, Bauchi, Borno, Kogi, Kaduna, Nasarawa, Plateau, Taraba,
- 10 Let us go down on our knees in prayers, to all-knowing Father because every meeting the President will call for unification of Nigeria will be boycotted and when not boycotted will be deadlocked,
- 11 Pray for the judiciary against delivering controversial judgment (tribunal as well as Supreme Court) that will set Nigeria ablaze,
- 12 Pray against impeachment of the Senate President (David Mark) and indeed the President (Goodluck Jonathan) before the end of the year,
- 13 Prayer to the Almighty may avert segregation along religious inclination in our markets and indeed in what TV Channels to watch and radio stations to listen to before the end of this year,
- 14 President Jonathan should pray to God to give him the wisdom and stamina as he prepares for unrest after Ramadan as some religions will reject democracy from nation to nation and embrace emirates,

- 15 Time is not on our side as a country therefore, let's face the fact and stop disbelieving the evidence of our eyes and stop shying away from the truth. Let's debate these three options for Nigeria, choose one and move forward as a nation not until it's late:
- a) Unification round table peace talks in the form of a Sovereign National Conference,
 - b) Permanent Military siege of troubled states, and
 - c) Creation of Nigeria into two states, one for Christians and one for Muslims like Sudan.
