

PRAYER ALERT POINTS 24TH NOVEMBER 2010

Congrats our President Come 2011. ATIKU – A Progressive and Bridge Builder.

1. PDP will win and form the government in 2011 assuredly
2. But pray not to face enough trouble at home front especially from your Governor
3. Pick an Ibo as Vice, a Yoruba as SFG, Kogi or Kwara as Chief of Staff, Niger Delta as Petroleum Minister and expect a smooth sail
4. Next 120 days MEND/Bokko Haram to hold Nigeria hostage if prayers is not said
5. Ciroma to pray hard if he wants to witness handover ceremony alive
6. Brace up with prayer or expect break up into pieces of PDP in next few weeks
7. Expect few attacks when you go to Niger Delta for campaign by your rival camp leading to reciprocal northern attacks as well as petrol production to come to a stop with worst kidnapping of oil workers after winning the primaries – reason being that their son has been denied the Presidency
8. Pray or expect geographical uprising of 1914 again instigated by some politicians
9. Pray or expect serious calls for SNC after you defeat the sitting president
10. Pray or expect a state of emergency in 2 – 4 states after PDP nominee ticket is given to you due to rancor from 4 states delegate elections
11. Pray to avert few military Generals, few Governors, USA Agents working hand in hand with enemies to cause coup scare (radical change) after you finally win ticket
12. Pacify OBJ and Andy quickly because they can make or mar depending on your approach
13. Your rival camp to be empty with men and women decamping to your camp from next week (first week of October)
14. Civil society group soon to be used against you by enemies from Lagos and Abuja
15. Pray to be accepted by international community before Christmas or face few last hour hurdles
16. You will sweep election like hurricane Katrina if all these things are taken care of

- 17 Some special advisers and Ministers to be fired by sitting President for sympathizing with you any moment from now
- 18 Millions of persons in South-South and South East to differ threats, and queue up to vote you from primary to general elections
- 19 After PDP primaries expect to have a contagious AURA of love nationwide
- 20 You will emerge like a thief in the night and a white horse to lead Nigeria during and after general election
- 21 Pastors to line up for ATIKU dramatically
- 22 Pray against evil spirit being invoked to destabilize your campaign big shots and big ranks like Ogbah, Iyorchia category as well as cause distrust between you and IBB, Gusau etc
- 23 Pray against regional military outfit in 2013 which will fight based on ethnicity cutting short your first tenure, more Henry Orkars to emerge in 2012, worst petrol scarcity in your first tenure, attacks and killings in mosques and churches during worship from state to state in 2012
- 24 PDP explosion and break up imminent within the next few weeks if prayers are not intensified
- 25 Things fall apart and the centre cannot hold as PDP members are spar and foreseen not to be at ease with each other after a national meeting coming ahead leading to planned removal of PDP chiefs during Christmas
- 26 Aggrieved members to plan to sink the PDP ship and cross carpet to other parties between Christmas and New Year
- 27 Expect the need for court cases soon left and right for and against your camp
- 28 Reach out to Orji Uzor, Tom Ikimi, David West, Chibuike Amaechi, Dimeji Bankole, David Mark etc for I foresee PDP heated and reaching breaking point because of fighting between the above mentioned names
- 29 Brace up for fireworks, Internal Squabbles in PDP if a one off consensus candidate joins ANPP within the next 4 weeks
- 30 Pray against more predictions of Nigeria break up by USA that will cause scare before January 2011. However, pray also that the sitting President will accept defeat when 3rd term formula is used during PDP primaries resulting in his defeat while some of his

lieutenants are foreseen spiritually to instigate him to run on a different party ticket instead of accepting defeat. If it plays out, elections will be between North and South hence break up of Nigeria as a failed state, as predicted by the USA.

RECAP FROM PREVIOUS PROPHECIES:

1. Disaster not far from door steps of 2 Presidential aspirants;
2. Atiku/Goje to make history suddenly before Christmas;
3. More Shockers for Jonathan before PDP Primaries;
4. National Assembly to summon various groups/personalities for clarification;
5. Jonathan, abeg O! Start looking for safe landing before the 29th of November 2010;
6. Season of fireworks between **Orkar** and **Ijaw Leaders**.
7. If **open** trial is allowed instead of **secret** and **Orkar** opens his mouth, he will pull or drag down everyone in Jonathan's government.
8. Heads will roll especially of those hobnobbing with Orkar, hence Jonathan will lose his Primaries thus stopping him from contesting.

10. **Danjuma's** new bride will scatter northern calculations.
11. **OBJ** will take Jonathan to the middle of the Sea and abandon him there.
12. **El-Rufai** will go back to his former **god-father**.
13. If **Orkar** is careful and prayerful, he will escape poisoning in prison.
